SUMMER KIT

Buy the 'Armstrong Summer Kit' and get a FREE Ajax Water Detector (Value of \$204.70)

1 x Hub

Intelligent control panels with ethernet connection and Vodafone SIM option. Ajax Hub enables the performance of each device in the system. It monitors and controls devices using advanced wireless technology. Connects up to 50 users, 100 devices and 9 partitions.
* MotionCam detector camera requires Hub2 for operation.

2 x MotionProtect
Wireless pet immune motion detector

1 x FireProtect

Smoke and 'Rate of Rise' heat detectors. Can work independently without Ajax Hub. Built-in siren.

1 x TouchPad

Two-way wireless touchpad. This is optional as AJAX can be controlled from a smartphone or Remote.

1 x ExternalSiren
Wireless outdoor siren with strobe light.

FREE
from Armstrong

1 x LeakProtect (Water detector)

For protection against floods. Senses water where it should not be! For use in bathrooms, laundries, kitchens, basements, etc. Sends an alert when water is sensed and also advises when it dries.

PhoneApp

Download the **free** app on your android or iPhone

All Ajax products have a 4 year manufacturer's warranty (excluding batteries).

No-interest payment options available. (T&Cs apply) Price does not include install.
